Spring Cleaning Donations Drive

A HOPE, Inc is hosting a Spring Cleaning Donations Drive to obtain items for sale at our **Pop Up Flea Market Fundraiser** at St Mary's Episcopal Church in Milton on April 20, 2024. All proceeds will go toward the construction of the new A HOPE low cost spay/neuter clinic that's already underway on Pine Blossom Rd.

We are actively soliciting the donation of sellable items for this event. So, if you are...

- *Doing your Spring Cleaning and have things with nowhere to go*
- *Wondering what to do with items you haven't used in years*
- *Paying more for a storage unit than the value of the contents being stored*
- *Now streaming and have unused audio/video equipment and boxes of vinyl and CDs*
- *Remodeling a room or purchasing new furniture and decorations*
- *Unable to park in a garage full of too many tools, bicycles, surf boards and drum sets*
- *Buying a new set of clubs, fishing rigs or outdoor gear*
- *Just wanting to contribute to an extremely worthy cause for the community*

...then please consider donating your unused/unwanted items to the
A HOPE Pop Up Flea Market Fundraiser.

Donations will be accepted from 10 am to 1 pm on Fri/Sat/Sun April 5, 6 & 7 and Fri/Sat/Sun April 12, 13 & 14 at:

- **The Winn Dixie parking lot in Gulf Breeze**
- **The A HOPE Paw Pad at 5755 Washington St in Milton**
- **Local pickup can be arranged by contacting Jon Green at jlj32571@gmail.com or Gary Tanger at g0423967@gmail.com.**

A HOPE Mission: To educate our community on responsible ownership of companion animals and proper care for community cats by providing access to affordable sterilization/vaccine services, rescue support and community outreach programs, leading to the prevention of unnecessary euthanasia. For more info scan the QR code.

A HOPE is a 509(a)(2) public charity under IRS Section 501(3)(c) and your donation is tax deductible. Donation receipts will be provided
